Reason for allowance

3. Claims 1-5 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed LIGHT EMITTING ELEMENT having the limitations:

-- " an electron transporting material, a first impurity, and a second impurity is provided between an anode and a cathode, wherein the organic compound film is laminated with a first mixed region comprising the hole transporting material and the first impurity, a hole transporting region comprising the hole transporting material, a second mixed region comprising the electron transporting material and the second impurity, and an electron transporting region comprising the electron transporting material in order from a side of the anode. "--

and all other limitations as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
